UNIVERSITY of DENVER

# An education at the **University of Denver** has significant impact

for our **students,**

If you're looking for an inclusive university community of hard-working, resilient, energetic individuals who will become the ethical leaders and changemakers of tomorrow, then DU is the place for you. Designed on the quarter system, our academic model gives you the space and time to explore ways to deepen your education and make our world a better place, as you live and learn alongside peers who represent the diversity of our region, nation, and nations abroad.

**Average Class Size:  
22 Students**

**12:1  
Student-to-faculty  
ratio**

**100+ student organizations  
18 NCAA DI teams,  
30 club sports,  
20 intramurals**

for our **communities,**

Denver is the third fastest-growing city in the country and has one of the nation's lowest unemployment rates. Our students live in an economically thriving and vibrant metropolis with a gorgeous green campus to call their own, 300 days of sunshine annually, a truly flourishing cultural scene (including some of the best music venues in the world) and hiking, skiing, and biking outside their door ... just some of the reasons Denver has become so sought after.

**71% of students  
complete at  
least one internship**

**2,000+ students  
participate in 120 service  
courses each year**

**15 minutes on the  
Light Rail to downtown;  
one-hour drive to the  
mountains**

and for our **world.**

At the University of Denver, you will be immersed in an environment that not only expands your intellectual capital, but also prepares you to use it. Whether you're working at an internship, collaborating with a faculty member to conduct research, or contributing to the community with a service learning project, you'll supplement your classroom education with knowledge gained through experience in the thriving Rocky Mountain region and across the globe.

**Over 77%  
of students  
study abroad**

**200+ undergrads  
participate  
in research each year**

**90% of graduates are  
employed or enrolled in  
grad school 6 months  
after graduation**
